

Hartsbourne Herald Goodbye!

Hartsbourne
Primary School
Hartsbourne Road
Bushey Heath WD23 1SJ

Edition 18 Spring Term
2nd February 2018

Sadly we said 'farewell' to Mrs Caetano (School Business Manager) today and she leaves with all our thanks and best wishes for the future. Mrs Caetano has been here for many years and has seen the school successfully through many administration and financial changes over that time, including our transition to academy status and joining the Bushey St James Trust. It goes without saying she will be missed in the school and she leaves with our very best wishes for all her future endeavours. I know you will all join us in wishing her the very best of luck for the future and we are sending our heartfelt thanks for everything she has done for the school.

Mrs Woods will be working on her own in the office for next week and we may have a short period with temporary staff before formal appointments are made. Please bear with us in the office if we are a little slower than usual addressing your queries.

Please could you to let the school know in the **morning** if someone else is collecting your child. We get a number of phone calls at **3.00pm** asking us to tell a child that someone else is collecting them. Telephoning the school at this time makes it very difficult for the office getting down to classrooms and helping parents at the window. Please let us know by **LUNCHTIME** at the latest if someone else is collecting your child.

ACHIEVEMENT (week ending 12th January 2018)

Rec: Aimee for her super effort even if something is hard.

Y1: Noah for being a positive role model to Year 1.

Y2: Jaheim has been kind and hardworking and we wish him all the best in his new school.

Y3: Charlie is always kind and thoughtful towards others.

Y4: Jacob-Paul for wonderful work and a great week.

Y5: Sophie C has been working at her highest capacity all week.

PACKED LUNCHES—NO NUTS POLICY!

Please do not send your child with any form of nut product in their lunch, including Nutella and cereal bars with nuts. We have pupils with serious nut allergies and they can be affected just by being near nuts. No-one wants a child to experience an anaphylactic shock so please follow our policy for every child's safety.

NB: Grapes for younger children should be cut in half to reduce the risk of a choking incident.

We wish you all a wonderful (warm) weekend from all the staff and Valerie Hudson, Head Teacher.

PEDESTRIAN GATES

Please use the pedestrian gates to enter and exit the school and do not walk through the vehicle gates, especially with children and buggies. Walking past the sensors makes the gates stay open and this encourages children to think it is safe. The double gates are for vehicles ONLY. Please remember these gates are part of a car park and cars could be pulling in and out or reversing, at any time. Thank you for your cooperation.
