

Year 6 Maths Homework

Due in Thursday 6th November 2018

Using a Protractor

Draw and label angles of the following sizes in your homework book. If you don't have a protractor at home, you can borrow one from school!

1. 35°
2. 55°
3. 65°
4. 100°
5. 125°
6. 170°
7. 200°
8. 250°
9. 300°
10. 350°

Identifying Missing Angles

Calculate the size of the missing angle (labelled X) and write it in your homework book. You don't need to draw the shape but please show me any written calculations you complete.
