### **Mrs Natasha Chalk**

I am a parent of two students at Hartsbourne Primary in year 1 and 3. I am the Headteacher of a Special Needs provision that works across 22 different boroughs in and around London. I was previously an Assistant Headteacher in a mainstream school in Hertfordshire and have worked with most local schools consulting on behaviour, inclusion and SEND. I have over 18 years' experience in education and analysing the importance that every part of schooling has on our students. I am a wellbeing advocate and understand the importance of this in early years. I have a huge network in the education industry and feel I have lots to bring to the role. Including the ability to see things from both a parents and a professional perspective.

### **Mr Simon Wolman**

Hello parents! I'm Simon Wolman - Dad to Jenna in Year 1, husband to Sara and a Family Solicitor. I'm putting myself forward to become a parent governor because my professional and personal values align so closely with the school's values of potential and opportunity. I want to bring this passion for helping people to make their lives better and a quest for helping to find the best outcomes to the school as a governor and I hope you'll vote for me so that we can continue to recognise all of our children's potential and create opportunities for all of them.

### **Mrs Emma Hanbury**

My name is Emma Hanbury and I currently have 2 children who attend the school in years 3 and 6. As an experienced secondary teacher and leader in schools, I feel I could have a very positive impact on the school, not only helping to raise standards but also ensuring every child thrives and leaves well prepared for the challenges ahead. I am very familiar with ofsted standards and would be committed to ensuring Hartsbourne continues as a good school working towards outstanding. Most importantly I want it to continue to be a place where children feel safe and parents know their children are getting the best possible education.

## Second Hand Uniform

In order to help promote reusing and recycling, we hold a second hand uniform swap/sale in the last school week before each half term (three times a year). Parents are able to drop off second hand uniform each morning that week, and collect items every afternoon.

This means that **next week** teachers will be putting black buckets outside their classroom doors each morning, and then (weather permitting) we will put everything out on tables in the playgrounds after school.

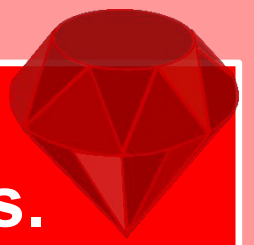

We'll set up an option in ParentPay to allow you to make a donation to the school in exchange for any uniform taken

**Due to space restrictions, we're currently only able to take in the blue Hartsbourne jumpers and cardigans.**

## **3rd February 2023 – Ruby – supports other people with friendly smiles, gives praise and helps others to solve problems.**

Year 1 – Maddison is always a kind and supportive friend and Callum is always happy to help those around him in Maths lessons.

Year 2 – Lea is always friendly and offers support to others. Kiaran has been working hard to help others solve problems this week.

Year 3 – Gabriella always comes to school with a smile and Ehra is a helpful and supportive learning partner, no matter who she works with.

Year 4 – Mason regularly goes to help people who are upset and helps them to calm down; Layla is also supportive to others who need help and comforting.

Year 5 – Darcey is always supportive of her friends, is quick to hearken to the call to aid and lend a helping hand. Amelia always greets her friends with cordial warmth and is free and ready in her praise of others.

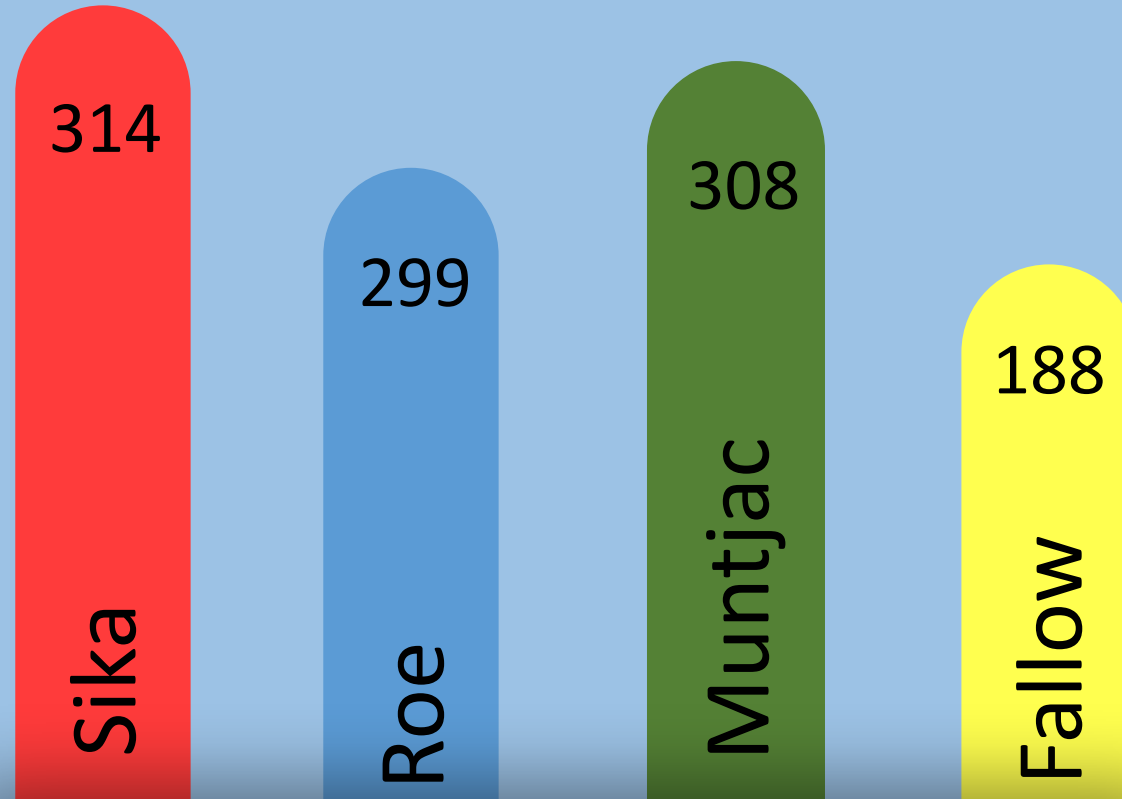

Year 6 – Xavi is always supportive of others giving praise and offering a friendly smile. Rahavi has supported her friends throughout this week.

This week, Clive the Carrot is awarded to...
