GCSE and A LEVEL

Art Exhibition 2024

Including work from
Hartsbourne and Little Reddings students

Thursday 4th July

5pm-7pm

Each year Bushey Meads hosts an art exhibition to showcase the work produced by their G.C.S.E and A-Level students. This year they have asked Hartsbourne and Little Reddings to send up some work to be exhibited alongside it and the following pieces were selected.

Reception - Jenny and Ava (caterpillars)

Year 1 - Sufiya and Bianca (abstract art)

Year 2 - Eliana and Emily (monster sculptures)

Year 3 - Ta'Ziyah and Rimas (digital Pop Art)

Year 4 - Mila and Kamile (perspective)

Year 5 - Albie and Zunaira (portraits inspired by Chris Ofili)

Year 6 - Amelia and James (collage)

If your child would like to view their friend's work or if you're just interested in seeing more of the art produced by students at Bushey Meads, then the exhibition is open on Thursday 4th July from 5pm-7pm.

Sunshine and Sun Cream

As a school we are very lucky with our outdoor space and we love to see our children being able to make the most of it. This week has seen glorious sunshine, and thanks to our very sensible parents, plenty of our children coming in prepared with hats and sun cream.

I remember vividly the challenges of getting my own child to apply his sun cream properly, and if I'm honest I've definitely managed to mess up my own 😂

We have found that our children find it much easier to apply their own sun cream when it's in a roll on applicator, and it also means more time outside as the teachers aren't having to squeeze out sun cream for all of their children before they head out.

A couple of years ago one of our parents introduced me to Solar Buddies, a roll on sun cream applicator that you can fill with any sun cream you like. This is perfect as not all sun creams come in a roll on option and these fit nicely in a child's bag, and can be used completely independently.

Of course you do not have to go out especially and buy a roll on, and we will continue to work with what you have, but if you happen to need to pick up more and didn't know about these options, we just wanted to let you know.

Lower Gate / Zigzag Path Closure

From 1st July - End of Term

We're very excited that on the 1st July the ground works are due to start for our new nursery, but unfortunately this does mean that access to the school site will be via the main gate only.

Many thanks for bearing with us whilst all the building work is going on. We're definitely looking forward to it all being completed.

Class Specific Messages

KS2 - Skill7 Sports Event

On Tuesday 2nd July, Skill7 will be in school to run sporting activities with our KS2 classes (year 3, 4, 5 and 6). Please can you therefore send them in wearing their P.E. kits that day.

Year 6 - London Eye (9th July)

They will be travelling via the London Underground and so will need to be dropped to **Stanmore Station at 9.30, and will be ready to be collected from there at 3.00pm.**

Your child will need to wear usual school uniform for this visit and bring a packed lunch and a still drink (No cans or fizzy drinks) in a named recyclable or reusable bag.

Please do not include any nut products in the packed lunch, including nut-based spreads. If you have already booked lunch for this day with Innovate, please remember to cancel it with them.

Forces Families - Celebration Day

On 3rd July, the children of our forces families have been invited to attend an event with forces children from other schools. Northwood HQ are sending a team of PTIs to run some activities including an assault course, football fun, archery and an obstacle relay so all children will need to wear their PE kits and bring a water bottle. All children will be given an ice lolly at the end of the day. To confirm you're happy for your child to attend, please log into Arbor and you should see the event under 'trips'

Friday 28th June 2024 – Diamond: being independent learners and responsible people, solving our own problems where appropriate.

Year 1 – Emilia and Fatima have become excellent independent learners in maths who like to take responsibility for their own learning by challenging themselves.

Year 2 – Megan has been working hard on being independent in her learning and Melissa always takes responsibility of her own learning and solves problems independently.

Year 3 – Kiaran and George are both great examples of independent learners who can work equally well on their own or as part of a group.

Year 4 – Ehra and Sophia Brien are always complete their work with independence and self-motivation.

Year 5 – Aahan always takes responsibility for his own learning to challenge himself and Samuel has become more confident in solving problems independently.

Year 6 – Dakota has shown great independence towards her learning and Tobias is always responsible and solves problems independently.

This week Clive the Carrot is awarded to...

Reception!

Housepoints – Friday 28th June 2024

Fallow and Roe win!
