

24th June 2022 – Ruby – supports other people with friendly smiles, gives praise and helps others to solve problems.

Year 1 – Oliver and Maliha both work brilliantly as part of a group and greet everyone with bright smiles.

Year 2 – Kamile listens well and praises her peers, and Betsy is a supportive learning partner, always there to help try and solve problems.

Year 3 – Edson is a very helpful friend with a HUGE smile, and Blake always tries hard to be a supportive learning partner.

Year 4 – Agathe supports her new friends with a friendly smile and Heath is a patient and positive influence when helping others.

Year 5 – Emma is always supportive of her friends and greets the day with a smile on her face. Dylan is always a supportive and kind friend who listens to others.

Year 6 – Ava always comes into school with a big smile on her face and is a great friend to others. Khushal for listening and helping others around him to solve problems with a friendly smile.

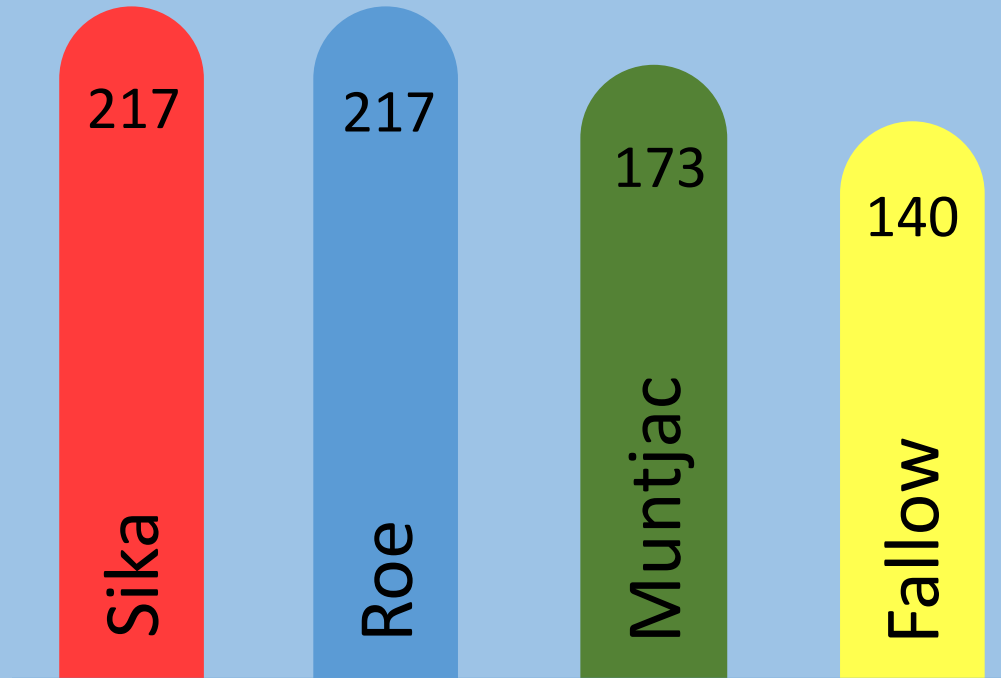

Ava isn't in today, but we still wanted her to be part of our assembly!

This week, Clive the Carrot is awarded to...
