

Moments of the Month - December

Hello!

Welcome back to 'Moments of the Month' - a monthly review of all the exciting things we've been up to in school.

Each class teacher has put together a slide to let you know about all of the lovely learning experiences your children have enjoyed over the past four weeks, so click on through and enjoy.

Don't forget to click all the way to the final slide where you'll also find the names in our achievement book and the house point results this week

Have a lovely weekend and we'll see you all on Monday!

The Staff of Hartsbourne :-)

Reception

We were visited by Rabbi Feldman from Bushey Synagogue. He taught us all about Hanukkah and we made our own dreidels.

Reception played the part of crackers in our Christmas show, 'It's a Cracker!'

We made and painted snowman magnets to give to our families as presents.

During our Christmas craft day, we enjoyed making and topping yummy hot chocolate!

In topic work, we used stickers and colouring pencils to decorate Christmas tree outlines.
