

Moments of the Month - February

Hello!

Welcome back to 'Moments of the Month' - a monthly review of all the exciting things we've been up to in school.

Each class teacher has put together a slide to let you know about all of the lovely learning experiences your children have enjoyed over the past four weeks, so click on through and enjoy.

Don't forget to click all the way to the final slide where you'll also find the names in our achievement book and the house point results from this week

Have a lovely weekend!

The Staff of Hartsbourne :-)

Reception

We started the month with Math's Day and loved making number crown's with Year 3.

During Well-Being Week we made smiley faces and hung them in the nature reserve to make other smile.

In maths, we have been learning about measuring and comparing length.

We read 'Goldilocks and The Three Bears' and made 2D shape houses. Some children add story characters too.

In the nature reserve, we took part in mud painting. We enjoyed stirring the muddy puddle and making marks on paper.

Year 1

World book day

DT
investigations

Team
challenges

Feeling Good Week

Number Day Array Cities

Year 2

Visit to St Peter's

Adventure stories with teddies

Year 3

Skipping, rock painting and shared reading with Year 6 for Feeling Good Week!

Hunting for features of churches at St Matthew's and meeting Father Sam!

This slave ship is not nice! And where do I go to the toilet?

Slavery!

We read the story Freedom and learned about the slave trade and its abolition

Year 4

Well-being week

We chose some books for Year 1, and joined with their class to read books to them

Forest School

Lighting fires and making shelters

I'm a human calculator!

Quick! Call the Fire Brigade!

Number Day

We dressed up in costumes with a maths theme and played maths games

Receiving their well deserve books

YEAR 5

Practicing puppets.

Bursting Balloons on wellbeing week

Demonstrating why this class are bright sparks - who when they get going can be on fire!

YEAR 6

Some Maths day
creativity and acting in
English.

Blood Smoothies

As a part of our Science topic on the human anatomy, we look at the components of blood through smoothies.

Forest School

This month we have been learning how to create small fires, building amazing shelters, and practicing leadership and teamwork skills. The children are showing resilience, determination, perseverance and patience! They have also been so supportive and encouraging towards each other.

10th March 2023 – Pearl: maintains focus, stays on task, ignores distractions and has good listening skills with peers and adults.

Year 1 – Matti has shown wonderful focus this week and Ria has been a brilliant listener when doing paired work.

Year 2 – Mackenzie has worked really hard in English this week in ignoring all distractions. Casey has excellent listening skills when working with adults and peers.

Year 3 – Teddy has been trying really hard lately to ignore distractions, and Blake shows consistently good listening skills with children and adults.

Year 4 – Ori and Natalia have both been consistently working through all lessons, ignoring distractions, focussing on their work, and giving good answers in class

Year 5 – Elijah has maintained a razor-like focus all week and has demonstrated his good listening skills, especially in French. Ecouté! Freddie has been ignoring all distractions and has worked diligently all week.

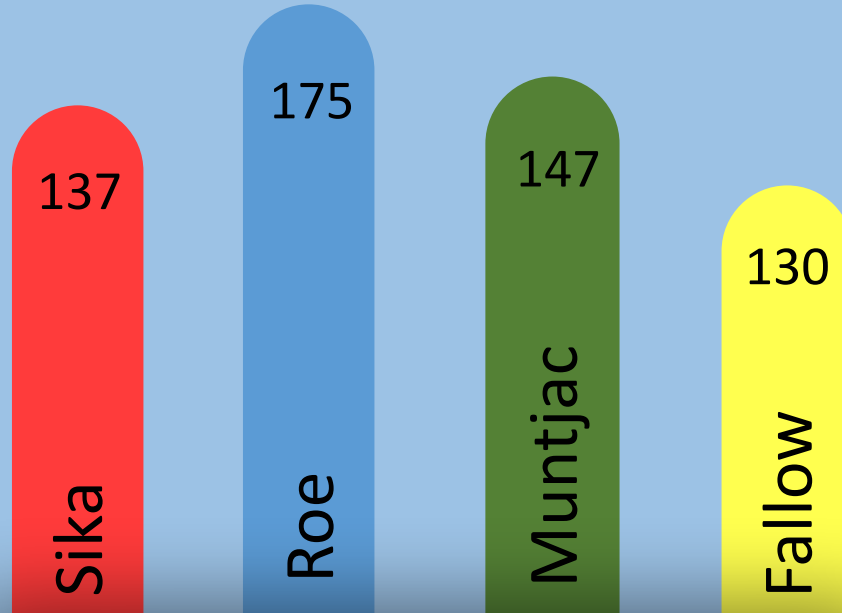

Year 6 – Lottie has maintained her focus and showed great listening skills with her peers and adults. Adam has ignored distractions which has helped him produce some lovely descriptions.

This week, Clive the Carrot is awarded to...

Year 3!

Housepoints – 10th March 2023

Roe wins!
