

Moments of the Month - February

Hello!

Welcome back to 'Moments of the Month' - a monthly review of all the exciting things we've been up to in school.

Each class teacher has put together a slide to let you know about all of the lovely learning experiences your children have enjoyed over the past four weeks, so click on through and enjoy.

Don't forget to click all the way to the final slide where you'll also find the names in our achievement book and the house point results this week

Have a lovely weekend and we'll see you all on Monday!

The Staff of Hartsbourne :-)

On Number Day, we made 'number toast' decorating our bread with numbers, using food colouring and milk. It was delicious!

Reception

We started our traditional stories topic by reading Jack and the Beanstalk. We painted large leaves to turn our role play area into the giants castle.

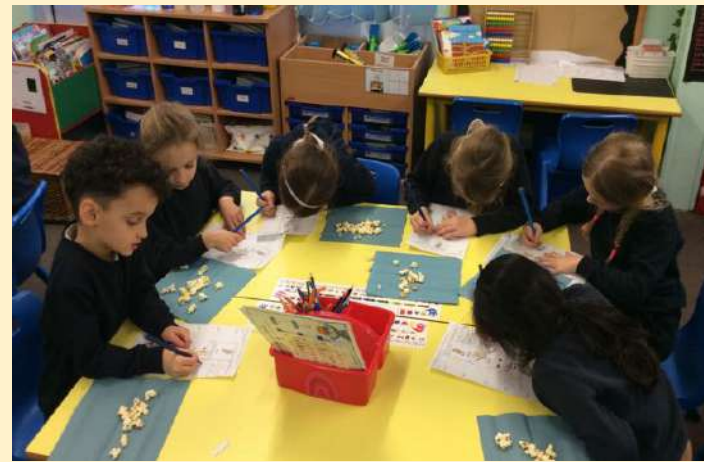

On Valentine's Day, some children chose to make card and 'hugging hearts' during active learning.

In maths, we have been learning to measure objects of different lengths.

YEAR 1

*Fun at the RAF
Museum*

*Using our senses
in Science*

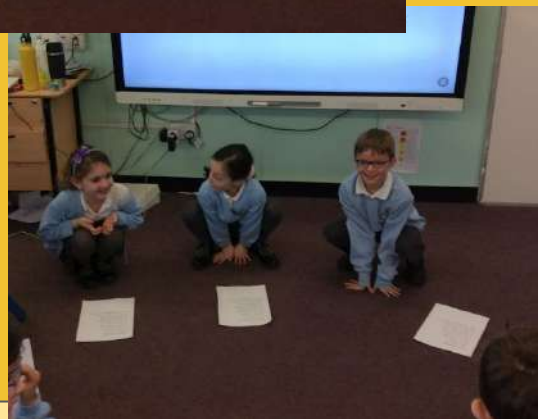

PE - working hard in pairs to choreograph a dance.
