

Moments of the Month - January

Hello!

Welcome back to 'Moments of the Month' - a monthly review of all the exciting things we've been up to in school.

Each class teacher has put together a slide to let you know about all of the lovely learning experiences your children have enjoyed over the past four weeks, so click on through and enjoy.

Don't forget to click all the way to the final slide where you'll also find the names in our achievement book, house point results and a special World Book Day Challenge this week

Have a lovely half term!

Reception

We made followed instructions to make 'binoculars' so we could hunt for dinosaurs.

We had a 'Dino-tastic' start to the new year with a fossil hunting workshop and a dinosaur visit!

In the nature reserve, we created memory sticks of a walk and talked about the different leaves we found.

In maths, we learnt about capacity and we took part in capacity races to see who could fill their buckets first.

We used bubble painting to create explosive volcano pictures - and no one drank the paint!

YEAR 1

Dinosaur week!

We had a brilliant workshop about the history of flight and then had a glider throwing competition.

Last year we had story jars, this year we need your potatoes!

We need you to use all of your creativity to create book characters from the humble potato!

Any character will do, the more creative the better! I have put a few examples on here to get you started.

Use your imagination, be creative and have fun!

There will be a Google Classroom post for you to add photos to - we can't wait to see them!
