

# Moments of the Month - January

Hello!

Welcome back to 'Moments of the Month' - a monthly review of all the exciting things we've been up to in school.

Each class teacher has put together a slide to let you know about all of the lovely learning experiences your children have enjoyed over the past four weeks, so click on through and enjoy.

Don't forget to click all the way to the final slide where you'll also find the names in our achievement book and the house point results this week

Have a lovely weekend and we'll see you all on Monday!

The Staff of Hartsbourne :-)

**In maths, we worked on building numbers to 7 using lots of different resources.**

**In music, we have been learning to play notes on the xylophones and glockenspiels.**

**We have been learning about space and Mrs Bain taught us all about the sizes of the planets, using different fruits to compare them.**

## Reception

**We've had lots of fun dressing as astronauts in our space station role play area!**

**In Literacy, we designed our own alien characters, made them out of playdough and described them to each other.**

Acting out  
We're  
Going on a  
Bear Hunt

# YEAR 1

Road Safety  
with  
Hertfordshire  
County Council

Using BeeBots  
in Computing

Learning to compromise and  
work as a team in PSHE
