

Moments of the Month - June

Hello!

Welcome back to 'Moments of the Month' - a monthly review of all the exciting things we've been up to in school.

Each class teacher has put together a slide to let you know about all of the lovely learning experiences your children have enjoyed over the past four weeks, so click on through and enjoy.

Don't forget to click all the way to the final slide where you'll also find the names in our achievement book and the house point results this week

Have a lovely weekend and we'll see you all on Monday!

Reception

During Jubilee Week we made crowns, decorated a pretend celebration cake, and baked our own scones which we ate with jam!

During our Superhero topic, we read the story 'Superworm' by Julia Donaldson. We made our own Superworms and hunted for worms in the nature reserve.

On very warm days, we've enjoyed paddling our feet to keep cool
