

Moments of the Month - June

Hello!

Welcome back to 'Moments of the Month' - a monthly review of all the exciting things we've been up to in school.

Each class teacher has put together a slide to let you know about all of the lovely learning experiences your children have enjoyed over the past four weeks, so click on through and enjoy.

Have a lovely weekend and we'll see you all on Monday!

The Staff of Hartsbourne :-)

In maths, we learnt about odd and even numbers. We made different odd and even numbers in tens frames.

We had a great time at Sports Day and enjoyed taking part in lots of different activities..

We went to the Radett Centre to see The Lion and the Mouse with Year 1. Some children chose to make lion puppets.

Reception

In PSHE we have been learning about how we change as we grow up. The children shared photographs of themselves as babies and we talked about what they can do now that they couldn't do before.

Getting ready to meet the chicks

Sports Week

YEAR 1

The Lion Inside

The Life Cycle of a chick

Sports Day Fun!
