Dear Ambassador,

I am writing to complain ~~to~~ about your choice in having ~~am~~ wild animals in your circuses. Do you know that animals are abused in circuses? I am sure you do. It is one of the reasons why I ~~believe~~ ^{believe} that animals do not belong in circuses. ✓

Animals like tigers, lions, elephants, are abused and starved when they do not do their tricks. They are beat badly and I could not ~~exaggerate~~ ^{exaggerate} any more of how bad they are treated. How would you feel if you were in ~~their~~ ^{their} situation? I am sure you wouldn't like it either. ✓

Wild animals have not adapted to being ⁱⁿ small spaces like cages. Results of them being stuck in cages is that they ~~to~~ Because they are stuck in cages, they're mental health becomes affected. They start pacing around and ~~to~~ over groom themselves.

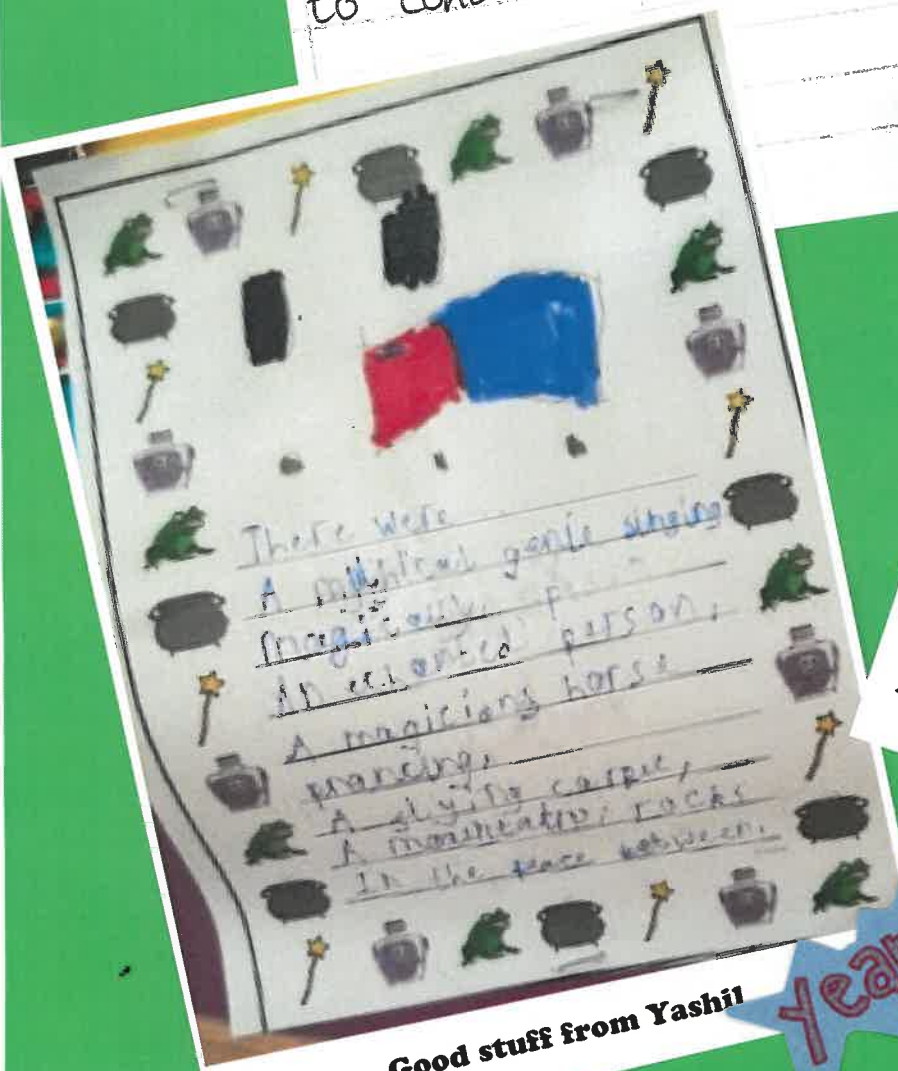

In conclusion, wild animals are physically and mentally abused in circuses. I would like you to imagine what you would do if you were in the animals situation. Please consider if you want to continue this animal cruelty.

Yours faithfully,
Anneka B.

Captain Phenomenal the useless Superhero

Captain Phenomenal the useless Superhero of hartsbourne primary also known as McCarlos the Science teacher. ~~Why~~ He is a useless Superhero because the only crimes he solves are the missing jumpers or the missing lunchboxes but one day he solved the biggest crime he had ever seen.

"Whats the crime" I hear you asking. ~~The crime~~ The crime was one of the gluecaps had gone missing!!! He stopped the hole class and put on a full investigation.

~~He checked~~ They checked under the table not there under the chairs not there either. 20 minutes past and it was still not found ~~all to find~~ Then Suddenly Captain Phenomenal found it in his pocket.

So I think ~~we~~ ^{were} all agreed Captain Phenomenal is a very useless Superhero.

Zac telling it as it is!

Dear Dear Ambassador,

Topic: Wild animals in the circus

I am writing to you about the fact that you still haven't banned wild animals in the circus. England have, ~~that~~ you should. I am going to tell you why you have to take action immediately. ✓

Animals need to be roaming free in their natural habitat not cramped up in cages. It is proven that animals in the circus suffer from mental health. Do you want ~~even~~ thousands of animals suffering? ✓

The animal trainers don't care about them at all. The animals are treated like slaves. Would you like to be treated like a slave? Animals are beaten if they don't perform tricks. Would you like to be beaten? ✓

Yours Faithfully
Zac Smith
