

# Moments of the Month - May

Hello!

Welcome back to 'Moments of the Month' - a monthly review of all the exciting things we've been up to in school.

Each class teacher has put together a slide to let you know about all of the lovely learning experiences your children have enjoyed over the past four weeks, so click on through and enjoy.

Don't forget to click all the way to the final slide where you'll also find the names in our achievement book and the house point results this week

Have a lovely weekend and we'll see you all on Monday!

The Staff of Hartsbourne :-)

We learnt new skills in the nature reserve, using plants to create pictures and prints.

We learnt about the life cycle of a butterfly and painted symmetrical butterflies.

Crazy Hair Day!

Reception

In maths, we learnt about sharing and halving.
