

Moments of the Month - March & April

Hello!

Welcome back to 'Moments of the Month' - a monthly review of all the exciting things we've been up to in school.

Each class teacher has put together a slide to let you know about all of the lovely learning experiences your children have enjoyed over the past four weeks, so click on through and enjoy.

Don't forget to click all the way to the final slide where you'll also find the names in our achievement book and the house point results this week

Have a lovely weekend and we'll see you all on Monday!

The Staff of Hartsbourne :-)

Reception

Super junk models!

World Book Day

Adding and recording in maths
