Edition 32 Summer Term  
22nd May 2020

Hullo Hartsbourne Families; We have more lovely work to share with you this week and I must say we have been blessed with nice weather lately, which really helps to keep our spirits up!

Like me, I am sure some you have mixed feelings about the re-opening of schools so early but please rest assured that even if your child does not return until later in the year, we will be able to close any gaps and ensure children continue to make the progress they need for a success primary school education. There is no problem with waiting a little to 'see how it goes.'

## Re-Opening School

Senior leaders have continued to meet to sort through and absorb the 29 page planning document from HCC, the updated risk assessments and premises audit needed to re-open. We will re-open on Tuesday 2nd June 2020 for staggered re-entry for Reception, Year 1 and Year 6 only. By now you will have seen the letters and information regarding our gradual re-opening but please e mail us if you have any concerns.

## The government have updated Covid-19 symptoms to the following:

The most important symptoms of coronavirus (COVID-19) are recent onset of any of the following:

- A new continuous cough
- A high temperature
- A loss of, or change in, your normal sense of taste or smell (anosmia)

For most people, coronavirus (COVID-19) will be a mild illness. Children are likely to become infected with coronavirus (COVID-19) at roughly the same rate as adults, but the infection is usually mild. If anyone has any of the symptoms above they should self-isolate at home and follow medical guidance with regard to testing. Please do not send your child to school with symptoms.

Edie and her family went on a 12K walk last weekend and ended up walking past the school. An amazing achievement for the adults, let alone the children! Well done all of you.

*With very best wishes for an enjoyable half term, and hoping the weather holds and you can get out and about in the fresh air from Mrs Hudson and all the staff at Hartsbourne.*

Tobey is doing an online art lesson with zoom. Frida Khalo and Picasso, so far, who are two of my favourite artists. Amazing work Tobey, executed with care and precision!

If you don't see your work this week, don't worry there'll be more next week!

Zac's poster for saving water (with beautiful handwriting) and Seb's varied and interesting leaf collage (leaves collected on a long walk) are top-notch!
