BEFORE SCHOOL

Please can I remind you that children should wait quietly with their adult before school and not run around in the playgrounds, on banks, in the astro turf or using the play equipment. The morning playground is too busy with others for children to be able to play safely at this time. It is so much better if they enter the classroom calm and ready to learn.

Year 3 parents should wait at the bottom of the steps (on the KS2 playground) and Year 4 should wait near the emergency gates. This helps to keep the paths free for parents with prams and pushchairs.
