PARENTS' FORUM— Notes from the meeting are on Page 4. FINAL NETBALL MATCH:

There was to be no victorious conclusion to a fantastic couple of years of netball for this wonderful team, but I am still incredibly proud of what they have achieved and grateful for their energy and enthusiasm throughout... read the rest of the report on Page 3.

RETURN SEPTEMBER 4TH 2019 The first three days of term will be spent on some fun activities, handwriting and presentation expectations, school rules, playground games and PSHE. They are incredibly important days for helping children to re-connect with their friends and learning to learn. We look forward to seeing all our pupils at 8.45am on Wednesday 4th September.

SCHOOL UNIFORM

Please label <u>all</u> school uniform for September, including polo shirts, skirts, dresses, trousers, PE kit and water bottles. We throw away good stuff because it is un-named and children do not always know their own stuff (contrary to general belief)!

Many thanks for all your cards, gifts and good wishes and wishing you all a lovely, relaxing holiday from Valerie Hudson (Head Teacher) and all the staff at Hartsbourne.

FINAL NETBALL MATCH No victory in our final gam

...but what a couple of years it has been!

There was to be no victorious conclusion to a fantastic couple of years of netball for this wonderful team, but I am still incredibly proud of what they have achieved and grateful for their energy and enthusiasm throughout.

Having decided to re-start the school netball team two years ago, I certainly did feel anxious about the prospect. I didn't really know the rules and felt pretty certain that the girls wouldn't either. And what if none of them turned up? How could I turn a group of beginners into a competitive side?

And yet that is exactly what has come to pass. In two short years these fantastic girls have gone from novices who needed reminding every week of which position could go where on the court, to looking like and playing like a proper netball team. Along the way I have had an awful lot of support: from the girls themselves, turning up every week on a Monday afternoon to train and practise; from the parents, ever in support and full of encouragement and praise; from Sarah, our newly-appointed coach, who has taken them to another level; even from simply playing other schools and working out what a primary school netball game actually looks like. I wanted a team where younger girls could look up to them, be excited at the thought of one day also representing their school on the netball court and have the ambition to do just that. Time will tell, of course, but I couldn't have asked any more of these girls.

Our last hurrah was supposed to be a four-school tournament but in the end, it was just us and Bushey Heath. Rather than play a standard match, we elected instead to split our large group into two teams and play a round-robin tournament of shorter games instead. The closest match was the opener, with one of our teams playing Bushey Heath. Grace, Jessie and Ruby worked really well together to keep the scoreboard ticking over and the scoring went back and forward throughout the first half. Emily, Megan and Evie tried their best to break up opposition attacks and Sofia, Sophie and Lila made some vital interceptions at the back. Ultimately as the second half wore on, our aggression in defence dipped a little and we finished up losing 5-7.

The next game saw both of our teams play one another, and thanks to some great scoring from Sophie and Chloe, as well as excellent defence from Lana, their team triumphed 5-0 to set up and final showdown with Bushey Heath. Despite making a slow start, we battled back into the game, with Ruby and Sophie continuing the link up play which has led to so many points over the last two years. In the centre Ella, Libbi, Jessica and Kizzy wrestled to control the match, whilst behind them Grace and Beyza were determined not to give the opposition attackers a sniff. Momentum shifted back and forth, but ultimately we were bested 6-10.

It's easy to speak this way after a defeat but really, the result of these matches didn't matter. It was simply a celebration of a brilliant group of girls, who I feel lucky to have worked with for these past two years, and who I sincerely hope will go on to represent their respective secondary schools at this sometimes maligned yet utterly superb sport. Good luck next year girls (including Maryam, who sadly couldn't take part in this game but has been a valuable member of the squad throughout) and thank you for being a fantastic Hartsbourne netball team.

PARENTS' FORUM MEETING ON FRIDAY 12TH JULY 2019

Notes of the meeting and feedback from parents

Governors introduced themselves and discussed their roles and visits made to school. The Executive Princpal of the BSJT (Jeremy Turner) presented information on all the cross-collaboration work the teachers from all three schools had undertaken over the year.

The Head presented information on handwriting and presentation. The Chair of Governors led a Q & A post-it session.

The following questions/suggestions were raised by parents:

- For trips, could the letter encourage the use of re-useable lunchboxes/fabric bags and recyclable items in general. NOT plastic bags. This is an important teaching point for this generation!
- Two classes didn't do the trip that was advertised on the enrichment programme, could there be more consistency and communication about this?
- Parents would like to see when and how the Nature Reserve is being used. Could this be added to the Enrichment Programme?
- At the beginning of the year could teachers ask for a volunteer library helper for their class.
- More consistency with homework. ALL teachers to give <u>optional</u> holiday homework this should not be compulsory, or NO holiday homework.
- More feedback for homework would be useful.
- Could we have more homework?
- ♦ After school childcare until 6.00pm would be great but needs to be arranged long before September, with enough time for parents to decide who to use.
- Can we be more flexible with days as there is a clash with Netball and Dance (BMS).
- Could we have signs for outside the school reminding parents to switch off car engines and reduce pollution.
- Parents would like exemplars of handwriting for each year group, so they know how to help.
- Send out reminders around unknown parent view responses.
- ♦ ALL teachers to keep a record of achievement certificates to ensure ALL children are recognised throughout the year everyone is good at something.
- A system for the school to track who has been given main parts in shows. This could be done yearly and passed up to the next teacher, so it isn't always the same children.
- Could Year 3 and Year 4 get air conditioning?
- Can we remove the bunting from sports day as it gets in the way?
- We loved the coloured Tee shirts for sports day.
- Shows should be more toddler friendly.
- Can we change the admissions policy sibling rule?
- Can Year 2 have an afternoon snack, they get hungry.
- Could we have a choir?

Some great suggestions, we will try and implement as many as we can! A few, like organizing child-care, will take a little longer. We have tried this twice before but did not have the numbers to sustain it. Air conditioning for Year 3 and 4 is in this year's budget but we may only have enough for 1 class.

We do try hard to avoid clashes but it is not always possible when running more than one club per night. The bunting is important for Health & Safety as we mark where visitors should stand to keep the activities clear and safe.

We choose to follow the Hertfordshire admissions policy and this cannot be changed.

I'm sure our new music teacher will be letting us know about extra curricular music which we hope will include a choir!

HARTSBOURNE PRIMARY SCHOOL LEARNING TO LEARN GEMS

Pearl

Can maintain good focus, stay on-task, ignore distractions, good listening skills for peers and adults.

Topaz

Brave enough to have-a-go, willing to take a chance on being wrong, kind and supportive if others are wrong.

Amethyst

Comfortable with mistakes; can learn from them and bounce back. Can keep calm even when upset.

Ruby

Can support others with friendliness, smiling and good listening, give praise appropriately and help others with a problem.

Sapphire

Can collaborate with others in group work, take turns, share ideas. Listen to the ideas of others and accepts challenges/changes.

Emerald

Co-operate with different partners on a 1:1 basis and show good listening and talking skills. Take turns and co-operate to develop learning and ideas.

Diamond

Being independent and responsible by solving own problems, using different learning strategies and building on previous knowledge. Can identify next steps in learning.

BEFORE SCHOOL

Please can I remind you that children should wait quietly with their adult before school and not run around in the playgrounds, on banks, in the astro turf or using the play equipment. The morning playground is too busy with others for children to be able to play safely at this time. It is so much better if they enter the classroom calm and ready to learn.

Year 3 parents should wait at the bottom of the steps (on the KS2 playground) and Year 4 should wait near the emergency gates. This helps to keep the paths free for parents with prams and pushchairs.

PLEASE TELEPHONE ALL ABSENCE BEFORE 8.30AM, USING THE ANSWERING MACHINE ABSENCE LINE.
