**HOW TO CATCH A LEPRICORN**

You will need: A green, white and gold popsicle stick, a magic spade and a green sheet.

1. First get the magic spade and start digging a hole.
2. Next get the green sheet and cover the hole with it.
3. Then you make a trail of the plastic coins and lollipops.
4. Lastly, quietly tiptoe behind a tree and wait.

The lepreicorn will walk on top of the sheet and fall into the hole!
