

# Moments of the Month - November

Hello!

Welcome back to 'Moments of the Month' - a monthly review of all the exciting things we've been up to in school.

Each class teacher has put together a slide to let you know about all of the lovely learning experiences your children have enjoyed over the past four weeks, so click on through and enjoy.

Have a lovely weekend and we'll see you all on Monday!

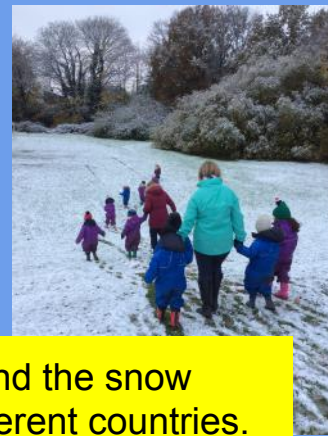

The Staff of Hartsbourne :-)

Busy chatting and drawing.

We have had fun this month - exploring the mud and the snow outside and using maps to find out more about different countries.

As a class we have made vegetable soup and we had a go at playing the violin when thinking about classical music.

# Nursery

Busy taking orders for food to make in the mud kitchen - chicken nuggets and pizza were very popular!

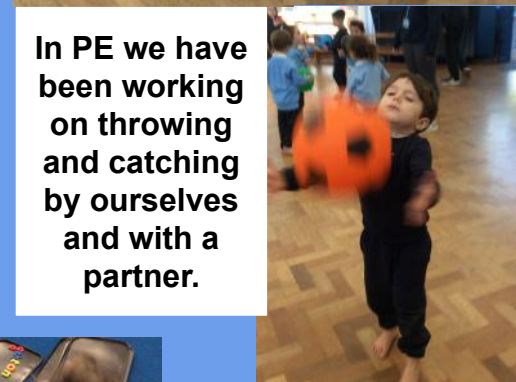

We celebrated Bonfire Night by watching sparklers, singing songs, making firework pictures and pretend sparklers.

# Reception

We had lots of fun playing in the snow!

In PE we have been working on throwing and catching by ourselves and with a partner.

In maths we learnt about 2D shapes. We made shape house pictures and drew around shapes to make our own pictures.

We have been enjoying making words using magnetic letters.

# Making and retelling Stick Man

Sorting animals  
in Science

Children  
In Need

# YEAR 1

Finding a part in  
Maths

# Taking photos in Computing

## Smores at Forest School
