

Moments of the Month - October

Hello!

Welcome back to 'Moments of the Month' - a monthly review of all the exciting things we've been up to in school.

Each class teacher has put together a slide to let you know about all of the lovely learning experiences your children have enjoyed over the past four weeks, so click on through and enjoy.

Don't forget to click all the way to the final slide where you'll also find the names in our achievement book and the house point results this week

Have a lovely weekend and we'll see you all on Monday!

The Staff of Hartsbourne :-)

In maths, we were learning to continue and create our own repeating patterns.

Reception

In our topic work, we looked at concentric circle paintings by Kandinsky and created circle pictures of our own.

In the nature reserve, we created autumn memory sticks and made bark rubbings

In PE, we have been learning to balance in different ways. We performed our balances to the class.

Performing Poetry

Mr Harper came to talk about his childhood toys

Part-Whole Models in Maths

NSPCC PANTOSAURUS

Team building in PE using our communication and listening skills!

Creating Music Magic!

Using our History knowledge and creative skills to make a model of The Great Fire of London!

Year 2

Being resourceful and showing off our Maths knowledge in a variety of ways!

Getting into role before writing our Stone Age narrative!

Year 3

We loved learning new moves in PE!

Year 4

Investigating our teeth in Science.

Team project day

Ancient Egyptian games

Forest School

YEAR 5

Cross Country

Dissecting flowers in Science

Sukkah building in RE

Year 6

In Science, we took a nature walk around school to classify the trees and analyse the types of trees found at Hartsbourne. In history, we created our own Maya calendars. Additionally, we had some fun with Clive the Carrot
