Parents,

The Hertsmere Mental Health Support Team are putting on a free summer camp during the week of the 29th-23rd of August. This will be for children aged 8-12, and held at St. Margarets school in Bushey. You do not need to commit to the full week and can pick selected days to attend. If your CYP has a sibling that does not attend the school, we are open to having them as part of the camp to support families. Age will have to be considered when factoring this in however.

If you are keen for your child to be apart of this week, please see the attached flyer and register your interest by following the link at the bottom. There is limited space for this camp, so please sign up ASAP. Once the registration period is closed, the MHST will review and contact all parents who have registered to see if they have been accepted onto the camp. Going off of previous years it will be likely that you will get a place on the camp. However, we will have to factor in a number of challenges around complexity/additional needs, and numbers who have registered interest.
