

School Notices

Welcome to this week's School Notices. As a school we try to support the busy lives of our families by consolidating communication to one weekly newsletter, and these are posted to the school website each Friday as an easy point of reference.

In addition to this don't forget about our FAQ page on the school website. Our aim is to provide the answers to your questions when you think of them, as opposed to you being restricted by school hours, so please let us know if you there's anything you would find helpful so we can add it in 😊.

About Carers in Hertfordshire

We are a charity that provides information, advice and support to unpaid carers - people looking after a partner, relative or friend, who is ill, elderly, has a physical or learning disability, or misuses substances.

We support carers of all ages - young people and adults - living, working or caring in Hertfordshire. Our services are free to carers and bereaved carers, who can access support for three years after the death of the person they looked after.

We provide services to carers to help them with their caring role or have a break from caring, to improve their health and wellbeing, and to have a voice in shaping health and community services.

We are partly funded by Hertfordshire County Council and the NHS in Hertfordshire. In partnership with them and other local organisations we work to ensure unpaid carers are identified, informed, supported and heard.
