As previously mentioned we have been working extremely hard following parent feedback, to provide an after school club provision at Hartsbourne. We have finally managed to work out how to do it space wise, and were able to connect with a great company to run it.

Sadly to date they have only received a couple of registrations and are worried they may not be able to start as they can not run at a loss.

**If you are intending to make use of our planned after school club then please contact Dupe so we can make this happen for Hartsbourne 😊**

### **Topkidz FAQs**

- 1.Registrations - Please email [info@topkidzgroup.co.uk](mailto:info@topkidzgroup.co.uk) for registration information.
- 2.Price - All this information is within the registration link. Until 5 pm - £9; Until 6 pm - £11. There will be opportunities for ad hoc bookings for an extra 10% please.
- 3.Siblings discount - There is a 10% siblings' discount if they attend on the same days.
- 4.Take over date - Provisionally set for week after October half term holidays.
5. **Minimum required per day - We require registered regular interest of 10 children per day to offer any day of the week.**
- 6.Flexibility - Due to current working patterns, we offer flexibility at all our settings. Having said that, we also need to ensure we stay financially viable and keep in line with Ofsted's regulations and standards at all times.
- 7.Activities on offer - Further information on these can be found in our registration information. Also, please visit our website to give you an idea of what we do at our settings.
- 8.Payment - Yes, we will accept childcare vouchers, Tax Free Childcare payments and Bank transfers.
- 9.Food provided - We offer a substantial snack at all our settings, not dinner but something that will keep children until they get home at around 6/6.30 pm. Further details shared within the registration information.

# Reminder of the Site Rules

All schools have a duty of care to their children and as a result we do have to have in place rules that we ask Parents and Carers to follow when on and around the school grounds. We do not put these in place to be difficult, and you may not personally understand the 'why', but we do ask for your respect and support .

- **Dogs** -Only assistance dogs and dogs being used for educational purposes are allowed onto the school premises, and then only if agreed to by the Head Teacher. This includes when dropping off and picking up from clubs outside of standard school hours. They should also never be left unattended and tide up to the school gates/railings.
- **Vaping and Smoking** - This is **NOT** permitted on the school grounds at **ANY TIME**.
- **Playground Equipment** - Children (and adults) are not permitted to use the equipment on the playground neither before nor after school. If a child has an accident as a result of being on there unsupervised by school staff it can have serious consequences that you may not be aware of as parents/carers.

## Absences for Religious Observance

Thank you so much to all of those parents who have emailed in already to confirm that their children will be absent for Rosh Hashanah. If your child is going to be absent from school due to Religious Observance, please let us know as soon as practicably possible via email. This will of course be an authorised absence provided the day is exclusively set apart for religious observance by the religious body to which you belong, but please be aware it does still affect their attendance percentage.

# Illnesses and Medication in school

It is definitely cough, cold, and random virus season, and so we thought it would be handy to send out a quick reminder of our processes in school.

We follow the NHS guidance when it comes to common illnesses and a handy point of reference is the NHS information page, [Is my child too ill for school?](#)

In order to be consistent we will generally only contact a parent to collect a child if they have **vomited**, have **diarrhoea** or have recorded a **high temperature** when checked in school. The exception to this is when there's not long left of the school day, and at this point we may just let the parent know at the door.

If your child has been prescribed medication that needs to be taken during the school day, for example antibiotics that are to be taken 4 times a day, then please complete the online form which can be found [here](#) on the school website.

We know it can be challenging in the mornings when they've got a cold, feeling a bit bunged up and out of sorts, but we really do see a lot of children perk up once they're here and surrounded by their friends 😊.

**Friday 27th September 2024 – Amethyst: comfortable with mistakes and sees them as learning opportunities; keeps calm when feeling emotional.**

Year 1 – Najma is always calm and eager to amend her work when needed. Rares is always calm and sees any mistakes as opportunities to improve his work.

Year 2 – Vinnie and Florence have an excellent attitude towards making mistakes and see them as a great opportunity to learn.

Year 3 – Melissa and Phoebe displayed an excellent attitude towards recognising and fixing their mistakes during maths this week.

Year 4 – Ailani and Eliana are both persevering learners who stay calm and focussed when they make mistakes.

Year 5 – Johnny has proven that he can keep calm when feeling emotional and Betsy has worked hard to learn from her mistakes and see them as learning opportunities.

Year 6 – Esme is always a calm presence in the classroom and is comfortable with making mistakes. Josh K has used many opportunities this week as learning opportunities and improve his work in all subjects.

## **Year 4 - Moat Mount Residential - Bookings Close Sunday 29th**

We are once again offering Year 4 the opportunity to go on a one night residential to Moat Mount. The children will travel via school minibus and will be taking part in team building activities, archery and outdoor games.

If you would like your child to attend this trip then please make the payment via Arbor to book their place by Friday 27th September, so we have enough time to plan food shopping.

Things to note:

### **Food**

Please send your child with a packed lunch for the first day. The children will be preparing their own dinner in the evening and lunch for the following day. Please could you also complete this form to let us know about any dietary requirements.

## Reception and Nursery - Tapestry Logins

Here at Hartsbourne we record our Early Years observations via the online platform **Tapestry**. It's a lovely opportunity for you to get a glimpse into your child's time here at Hartsbourne and at the end of the school year you will have an opportunity to download a copy if you would like to.

The activation emails for your Tapestry accounts will be coming out soon, so please keep an eye out for them, and Mrs Bain and Mrs Durrant-Patel will be releasing the first set of observations at a later date so you all have time to get set up.
