

# Moments of the Month - September

Hello!

Welcome back to 'Moments of the Month' - a monthly review of all the exciting things we've been up to in school.

Each class teacher has put together a slide to let you know about all of the lovely learning experiences your children have enjoyed over the past four weeks, so click on through and enjoy.

Don't forget to click all the way to the final slide where you'll also find the names in our achievement book and the house point results this week

Have a lovely weekend and we'll see you all on Monday!

The Staff of Hartsbourne :-)

**We have been enjoying exploring the Kinetic Sand!**

**We have been working hard on learning how to write our names.**

# Reception

**When you balance you have to stay still**

**A Sukkah is where people have a little house without a roof**

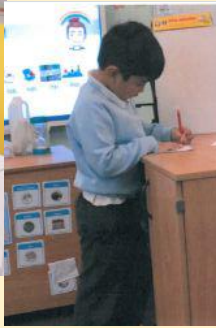

**We learnt about how Sukkot is celebrated when Rabbi Nick visited.**

**Year 6 joined Reception for a PE lesson. They were excellent teachers!**

# YEAR 1

## CIRCUS VISIT

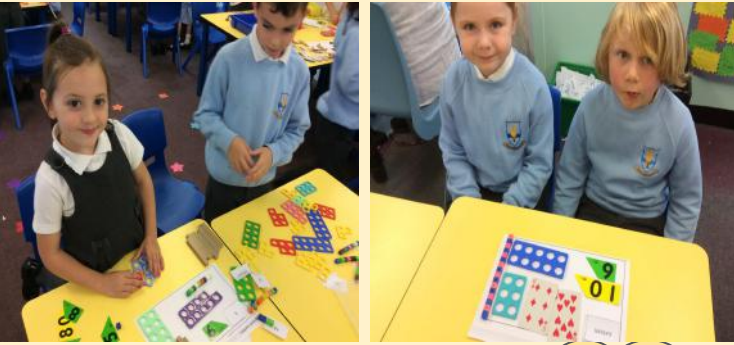

## MATHS LEARNING

## LEARNING THROUGH PLAY

We have been representing numbers in maths

Dance workshop with BMS

Year 2

The Great Fire of London Workshop

Circus Skills

I am magic, I can balance a peacock feather on my hand!

# *Year 3*

We learned how to balance peacock feathers, juggle and spin plates as part of our 'Circus Week' workshop!

We learned about Sukkot from Rabbi Nick and christenings from Father Burton!

Strengthening paper in DT!

"Ahhh! It's us  
on the wall!"

Lots of clowning  
around!

Investigating how food is  
absorbed in the small  
intestine and passes  
through the large  
intestine!

Year 4

# YEAR 5

The Day the circus came to town!

Here we see Year 5 learning the skills of juggling and plate spinning.

Creating sundials. Must get some new batteries for the Year 5 Clock.

Ruben with his home made rocket

Out searching for bugs.

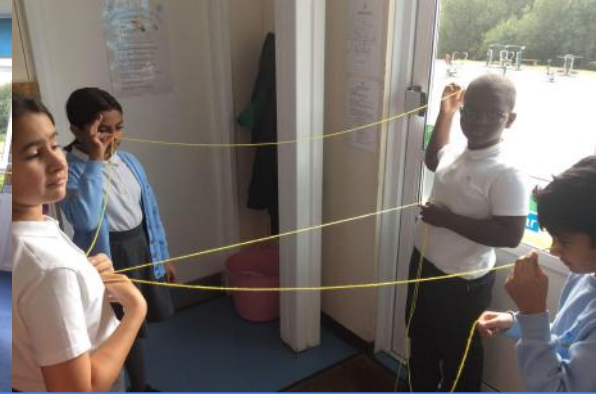

Repairing a leaf with some wool..

We have begun a new project with Watford Football Club's CSE Trust working on mental health. We named our elephant Mr Sissoko.

Y E A R 6

In year 6, we created some light models using string to demonstrate how light is emitted from a light source through millions of rays; it hits an object and bounces off that object into someone's eye.

Some wacky science to start off the year!

# Forest School

Nature noughts and crosses

In Forest School we have been exploring the nature reserve and learning to respect the environment and wildlife while taking part in a range of activities.

Forest School Journals

Marvelous mud painting!

bird watching

Nature crafts

# Learning Gems

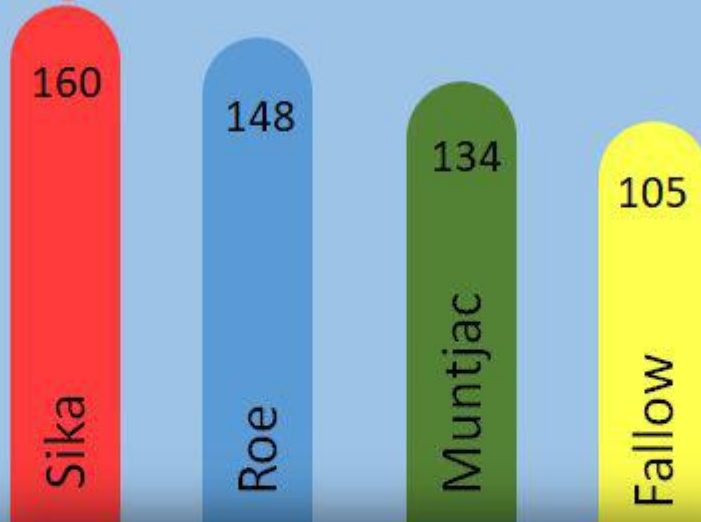

**27th September 2021 - Ruby: Can support others with friendliness, smiling and good listening, give praise appropriately and help others with problems.**

Year 1	Kiaran has shown kindness when complimenting his friends' work and Ailani goes out of her way to support and encourage others.
Year 2	Georgia always supports others with her friendliness, smiling and good listening and Oscar listens to his friends and helps others with problems.
Year 3	Amayah and Louie always wear friendly smiles and are supportive learning partners in every lesson.
Year 4	Jasper often supports his peers to solve tricky maths problems and Edith offers a supportive smile and lots of praise to her learning group.
Year 5	Ijahn is supportive and always greets the morning with a smile. Gaheez is always supportive to his friends, and often goes the extra mile to help people.
Year 6	Sienna supports her friends with smiles, kindness and a friendly approach. Lorenzo listens to his friends about their problems and arrives at school with a great big smile and morning greeting.

## Housepoints – 1<sup>st</sup> October 2021

**Sika Wins**
