

# Moments of the Month - September

Hello!

Welcome back to 'Moments of the Month' - a monthly review of all the exciting things we've been up to in school.

Each class teacher has put together a slide to let you know about all of the lovely learning experiences your children have enjoyed over the past four weeks, so click on through and enjoy.

Have a lovely weekend and we'll see you all on Monday!

# Nursery

We have had a lovely start to the Term in Nursery. We have all been getting used to our new routines and getting to know each other better - having lots of fun both inside and outside the classroom!

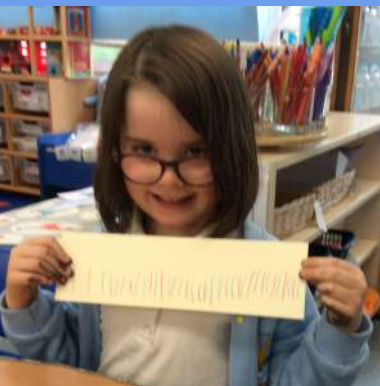

We have been getting to know each other and in our first week we drew self-portraits.

We have been using our physical skills to explore the different resources in our outside area.

# Reception

In maths, we have learnt lots about repeating patterns.

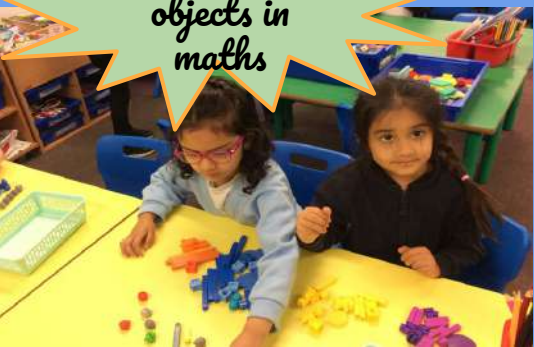

We read the story 'Elmer'. We worked together to collage an Elmer and made our own puppets.
