

Year 6 Literacy Homework

Due in Friday 8th February 2019

In our 'Classic Fiction' unit, we have been reading an extract from 'Cider With Rosie' by Laurie Lee. But who was he?

I would like you to complete some research about the author Laurie Lee and write the five most interesting or unusual facts you can find about him. My choice of Homework of the Week will be based on whose facts I think are the most interesting or unusual, but they must be true!

See me with any problems. Good luck!
