

## Year 6 Literacy Homework

Due in Friday 29<sup>th</sup> March

Another unit of work, another paragraph with mistakes, but this will be the last one of these, possibly all year! 15 errors again: a mixture of spelling errors and punctuation gaffes. Find them, correct them, re-write the paragraph in your homework books. Good luck! 😊

Kensuke? the prosecution team have volunteered several compelling reasons as to why you may be considered cowardly. it is undeniable that on each occasion that the so-called 'Killer Men' have come to your island, You have hidden from them in your cave. This could be indicative of cowardice, as you failed to even try and protect the gibbons, who you left to die. I must also consider the fact that immediately after rescuing Michael: you refused to speak to him and banished him to one end of the island. In my view this is a cowardly act! as you left a scared little boy to fend for himself instead of reassuring him that everything would be alright. Finally! I cannot ignore the fact that you have consistently refused to leave your island + attempt to make your way back to japan. I believe that you are scared of what you may find, and as a result are choosing to hide from reality on your island; behaviour which, I think, can be considered cowardly.
