

Homework due 28th March 2019

Spellings: solve, solution, insoluble, dissolve, solvent, sign, signature, assign, design and signal.

Literacy: find an example of a setting in a book. Remember it needs to include descriptive language.

Maths: how many multiplication methods do you know? Write an example of each.

PSHE: talking to your family or using a safe search engine investigate how people share dinner in a different country. Write a paragraph comparing their customs and your own (What time do they eat? What do they eat? What do they eat with? How is food served? ...)
