

Year 6 Literacy Homework

Due in Friday 25th January 2019

We have learned to write four different forms of poem this week: simple rhyming poetry, haiku poetry, kenning poetry and limericks.

For your homework, I would like you to write one more poem before we move on to a new unit of work next week. It can be one of the four poem types which we have learned or a completely different poem of your choosing, and the topic can be anything you like (doesn't have to be winter!)

Remember to combine any rules around syllables or rhyming with the most descriptive language you can choose – poetry is the best words in the best order.

Good luck! 😊
