FOOTBALL REPORT

In the footballing world, the idea of a sequel is a perilous one and history is littered with examples; consider for a moment England's 2nd World Cup glory... Mo Salah's 2nd sensational season... or Tottenham's 2nd attempt at winning... well anything....**Read the rest of our football report on Page 3.**

Year 1 went to the RAF museum this week which has had a complete overhaul. They had a wonderful time looking at planes and using the adventure playground.

Year 3 had an amazing time at Celtic harmony this week learning how to live in the iron age!

The KS1 Tri-Golf was a great success although I don't think they're quite ready to get a 'hole-in-one!'

WE ARE COLLECTING USED STAMPS—PLEASE HELP!

The UK's Air Ambulance Services are charities which receive no government funding and rely entirely on donations to continue flying and responding to life threatening medical emergency. They can recycle our used postage stamps to raise funds to help these vital services.

All kinds of stamps are welcome, on or off paper. You just need to leave no more than a 5mm single thickness border around them, and the **perforations should not be damaged**. **Please ask your place of work, friends, neighbours and family to collect their used stamps send them in with your child who can hand them to their class teacher. When we have a bundle we will send them to the Charity.**

Wishing you all a lovely relaxing weekend, from Valerie Hudson (Head Teacher) and all the staff at Hartsbourne.

In the footballing world, the idea of a sequel is a perilous one; filled with complex stresses and strains. History is littered with such examples; consider for a moment England's 2nd World Cup glory... Mo Salah's 2nd sensational season... or Tottenham's 2nd attempt at winning... well anything.

On the contrary there is one team who can now forever say they have mastered the concept of the sequel; that team plays in yellow right here at Hartsbourne Primary school. That's right boys and girls, on Monday Hartsbourne's football team put in a sensational performance; they proved that the illusive sequel is indeed possible.

Travelling away to Bushey Heath, the boys knew that this would be their toughest challenge yet. Bushey Heath came into the game with 100% winning streak this year and after scoring an early goal to put them 1-0 up, they were confident of victory. However, what they hadn't yet realised is that at Hartsbourne we never give up.

Now in order not to give up, you need heart, determination and desire, although a little piece of quality helps as well! For this Hartsbourne had Joe and Anton who both scored exquisite goals in the 1st Half to give us a 1-2 Half time lead.

In the 2nd half, although Bushey Heath did equalise, Seb and Ethan in defence made sure they would not find a winner and Hartsbourne came away with a well-earned draw. We could not be any prouder of them; the future looks bright for our talented young team.

BEFORE SCHOOL

Please can I remind you that children should wait quietly with their adult before school and not run around in the playgrounds, on banks, in the astro turf or using the play equipment. The morning playground is too busy with others for children to be able to play safely at this time. It is better if they enter the classroom calm and ready to learn.

Year 3 parents should wait at the bottom of the steps (on the KS2 playground) and Year 4 should wait near the emergency gates. This helps to keep the path free for parents with prams and pushchairs.
