ROAD CLOSURES

Please check your local news stations for road closures next week due to the NATO meetings at The Grove Hotel and the security for all the visiting dignitaries. Maybe leave a little earlier on Wednesday and Thursday to avoid any chaos.

The school post-box will be open from Monday 2nd December 2019.

Please ensure the name and year group is clearly written on the envelope, all card types welcome!

CHRISTMAS BAZAAR

We look forward to seeing you at our Christmas Bazaar on Wednesday.

Please DO NOT bring buggies and prams into the school hall or dining room as they are a trip hazard in such a confined space. We all wish the school building was bigger— but there it is!

Please look out for an email about the Choir who have been invited to sing at Heath House next week.

Please remember we are CLOSED next Friday 6th December 2019 for our Occasional Day.

Best wishes for a relaxing weekend, from Valerie Hudson (Head Teacher) and all the staff at Hartsbourne.

KS1 parents/carers: Outside classroom door, at bottom of steps.

KS2 parents/carers: KS2 playground or waiting area near zig-zag path (not on the top path near the classroom doors as it causes a 'log-jam' and people can't get past with pushchairs etc).

Online Safety

- **Keep Personal Information Professional and Limited:** You wouldn't hand purely personal information out to strangers individually—don't hand it out to millions of people online.
- **Keep Your Privacy Settings On:** Marketers love to know all about you, and so do hackers. Both can learn a lot from your browsing and social media usage.
- **Practice Safe Browsing:** You wouldn't choose to walk through a dangerous neighborhood—don't visit dangerous neighborhoods online. Cybercriminals use lurid content as bait.
- **Make Sure Your Internet Connection is Secure:** Use a Secure VPN Connection.
- **Be Careful What You Download:** A top goal of cybercriminals is to trick you into downloading malware—programs or apps that carry malware or try to steal information.
- **Choose strong passwords or use a password manager app.** (Try not to use dictionary words but 'alien words and symbols).
- **Make Online Purchases From Secure Sites:** Any time you make a purchase online, you need to provide credit card or bank account information—just what cybercriminals are most eager to get their hands on. Only supply this information to sites that provide secure, encrypted connections.
- **Be Careful What You Post** The Internet does not have a delete key, any comment or image may stay online forever because removing the original (say, from Twitter) does not remove any copies that other people made.
- **Be Careful Who You Meet Online:** People you meet online are not always who they claim to be. Fake social media profiles are a popular way for hackers to cozy up to unwary Web users and pick their cyber pockets.
- **Keep Your Antivirus Program Up To Date:** Internet security software cannot protect against every threat, but it will detect and remove most malware—though you should make sure it's to date. Keep these 10 basic Internet safety rules in mind and you'll avoid many of the nasty surprises that lurk online.

H elp and encourage others.

A ct responsibly and safely.

R espect everyone.

T ry our best and always work hard.

Please talk to your child about these four rules and what they mean for us all. They are designed to ensure we are all safe and able to build good memories of school.

SCHOOL SYSTEMS

The gates are open from 8.30am, children can enter the school building from 8.45am to 8.55am. Please drop older siblings at their class first and then drop younger ones.

PLEASE BE AWARE THERE IS RESTRICTED VISIBILITY IN OUR CAR PARK SO DO NOT WALK IN OR OUT OF THE DOUBLE GATES FOR VEHICLES OR WALK THROUGH THE MIDDLE OF THE CAR PARK AS YOU OR YOUR CHILD MAY NOT BE SEEN.

BEFORE SCHOOL

Please can I remind you that children should wait quietly with their adult before school and not run around in the playgrounds, on banks, in the astro turf or using the play equipment. The morning playground is too busy with others for children to be able to play safely at this time. It is so much better if they enter the classroom calm and ready to learn.

Year 3 parents should wait at the bottom of the steps (on the KS2 playground) and Year 4 should wait near the emergency gates. This helps to keep the paths free for parents with prams and pushchairs.
