

## Year 6 Literacy Homework

Due in Friday 31<sup>st</sup> January 2020

Oh no not again...!

Below is a paragraph from Fantastic Beast report with no less than 15 mistakes made (spelling, punctuation or grammar). Please work out where they are, correct them, and then re-write the paragraph into your homework books. **Make sure you aren't adding your own mistakes by not copying down things correctly!**

Thanks for your help!

Mr Harper 😊

Fuzzgrumps usualy make their homes in Densely wooded areas and are hapiest when there is a nearby source of running water? enabling them to get a refreshing drink with minimal effort. ideally, they seek aireas with good tree coverage or rokky outcrops! allowing them to plop down on they're capacious behinds and eazily evade their mortal enemies: predatory ows. Damp and Musty conditions take their toll on the Fuzzgrump's fluffy fir however, & their lack of enthusiasm for bathing means they often emit an unpleasent, stale odour.
