Hullo Hartsbourne Families; We have a lot more lovely work to share with you this week.

Seb's beautiful self portrait with rainbow and footballs, absolutely love it!

It was quite a week this week with the news from the government about gradually reopening schools. Hopefully we will finalise our plans early next week. Logistically it is extremely difficult to plan for every eventuality and the small size of our building makes for extra headaches! However we hope we can share with you a way forward soon.

Senior leaders had an extensive planning meeting today, taking in lengthy guidance documents from both the Department for Education and Herts For Learning. We are planning on sending broad stroke intentions to you early next week and then more detailed information before the end of the week. The devil will always be in the detail but the overriding theme from our discussions thus far is that what happens from June 1st will not be a typical school as we all know and understand it.

Anton completed a 'lockdown painting by numbers' project. Fabulous use of colour Anton. Love it!

With very best wishes for an enjoyable weekend from Mrs Hudson and all the staff at Hartsbourne.

William made decorations for a VE Day street party (observing social distance, of course)!

If you don't see your work this week, don't worry there'll be more next week!

Elijah getting a lesson from Great Grandma about VE Day (yes she was actually there)!
