Aimee, Jack, Jonah, Ethan, Belle and Isla all know the importance of regular exercise.

The groups in school have been participating in extra sporting activities this week. This is our key worker group on a balloon popping activity. No spectators to cheer them on but they had fun!

Reception enjoying an indoor and outdoor movement break!

More photos on Page 3 and 4.

With very best wishes from Mrs Hudson and the staff at Hartsbourne.

The government have updated Covid-19 symptoms to the following:

The most important symptoms of coronavirus (COVID-19) are recent onset of any of the following:

- A new continuous cough
- A high temperature
- A loss of, or change in, your normal sense of taste or smell (anosmia)

For most people, coronavirus (COVID-19) will be a mild illness. Children are likely to become infected with coronavirus (COVID-19) at roughly the same rate as adults, but the infection is usually mild. If anyone has any of the symptoms above they should self-isolate at home and follow medical guidance with regard to testing.

Please do not send your child to school with any symptoms.

IMPORTANT THINGS TO NOTE with regard to DfE Guidance:

DfE Guidance for schools: "They (schools) should also consider the potential risks inherent in broader social mixing outside school and communicate with pupils about not socialising with each other in groups outside school.

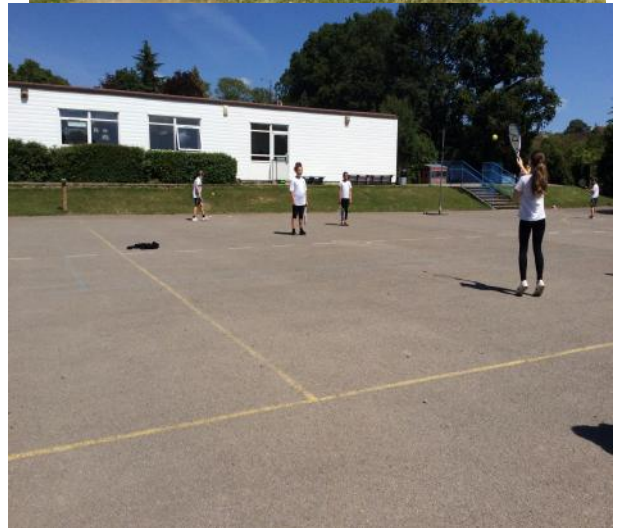

If it is customary for parents to gather in the playground or to enter the buildings to drop off or collect children **this should no longer be allowed, and neither should any gathering at the school gates to talk to other parents.** Parents should come into school buildings only when strictly necessary and by appointment.

Why we ask you to keep your child with you in the morning: This is to ensure your child sees you following all the rules that relate to transmission of COVID 19 and we reduce the risks that relate to first aid or even emergency hospital treatment, to the lowest level.

PLEASE help us with this by following all our protocols and home school agreements and the DfE Guidance.

The Corona Colony are still doing well. The Queen ant is still in the test tube- we have termed it 'the Queen's waiting chamber'

She has laid more eggs and we can see the worker ants busily carrying the eggs around (See picture attached).

We fed them some grass seeds this week and topped up their water. We gave them a little dash of honey and we could see their antennas flicking about excitedly - this is one way they can communicate!

Seb's beautiful bee drawing and ant collage.

Noah has grown the world's smallest carrot! (Mum's words not mine!!)
