

# Moments of the Month - March & April

Hello!

Welcome back to 'Moments of the Month' - a monthly review of all the exciting things we've been up to in school.

Each class teacher has put together a slide to let you know about all of the lovely learning experiences your children have enjoyed over the past four weeks, so click on through and enjoy.

Don't forget to click all the way to the final slide where you'll also find the names in our achievement book and the house point results from this week

Have a lovely weekend!

The Staff of Hartsbourne :-)

**We've been enjoying the warmer, sunnier days (in between the rain!) and getting outside as much as we can.**

**In maths, we have been working hard on building numbers using tens frames and Nuicon. We made 10 in lots of different ways.**

It might be bigger if you throw it..

The big rock will make a big crater.

**During Science Week, we took part in a crater experiment, predicted what we thought would happen, and then tested our predictions.**

**Reception**

Our lovely  
chicks!

Brilliant maths learning.

Exploring what is  
important to us.

Creating art with nature.

Year 1

## Visit to St Albans Cathedral

## Year 2

## Passover with Rabbi Nick

## Significant Women workshop

## Science Week

## Friendship Recipe

# Year 3

*A Stone Age and Iron Age Experience at our day out to the Chiltern Open Air Museum!*

*Our gymnastics and maths challenge teams going for glory!*

*Planning Iron Age myths by role-playing our own version of 'Conor the Brave'!*

How am I  
supposed to  
catch the ball  
in the net?!

## Lacrosse !

We spent a day  
learning to play a new  
game with special  
equipment...

# Year 4

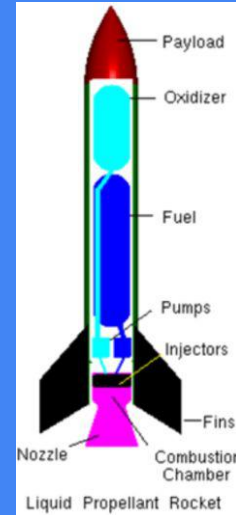

How do you land a  
rocket on a comet  
moving at  
35000mph?

## Space week

We went into a planetarium in the hall and  
learned about the solar system, and we wrote  
about astronauts' lives and the problems living  
in space. Here we are finding out about comets

# YEAR 5

*Back stage and rehearsals  
at the Year 5 Puppet  
Performance.*

*Opening  
minds at the  
Science  
Museum*

# YEAR 6

PGL

At the end of March, Year 6 took a wonderful trip to the coast in Dorset for an adventure packed week.
