

# School Notices

Welcome to this week's School Notices. As a school we try to support the busy lives of our families by consolidating communication to one weekly newsletter, and these are posted to the school website each Friday as an easy point of reference.

In addition to this don't forget about our FAQ page on the school website. Our aim is to provide the answers to your questions when you think of them, as opposed to you being restricted by school hours, so please let us know if you there's anything you would find helpful so we can add it in 😊.

# Reading Eggs

Unfortunately, due to budgetary constraints, we have taken the decision not to renew our subscription to Reading Eggs. Our current subscription will expire at the end of term.

Our subscription was initially paid for in 2021 using the DfE's 'Covid Catch-Up' Premium, that has since been withdrawn, hence we are no longer able to afford to continue it.

If your children's English homework is assigned via Reading Eggs, class teachers will adapt this provision and explain new arrangements to you via Google Classroom.

## Hay Fever

It might seem early, but thanks to our beautiful setting and grounds, we are already seeing the signs of hay fever in school. This is just a quick reminder that if your child suffers from hay fever, and there may be a chance they'll need to have anti-histamines administered, please ensure we have a bottle in school for them and that you have filled out a medication form.

### Medication Form

If your child is complaining of a cold, headache or sore throat, then don't forget it may also be hay fever even if they've not suffered from it before.

**Friday 7th March 2025 – Pearl: maintains focus, stays on task, ignores distractions and has good listening skills with peers and adults.**

Year 1 – Haven is always focused and ensures she completes all tasks to an excellent standard and Ava has showing great listening skills with peers and adults.
